TAKING THE

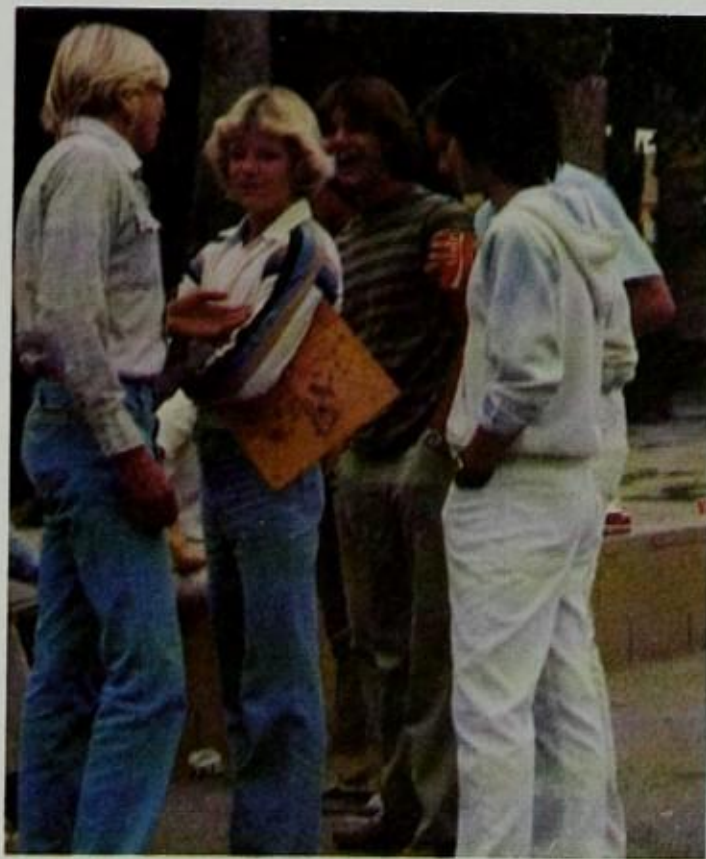

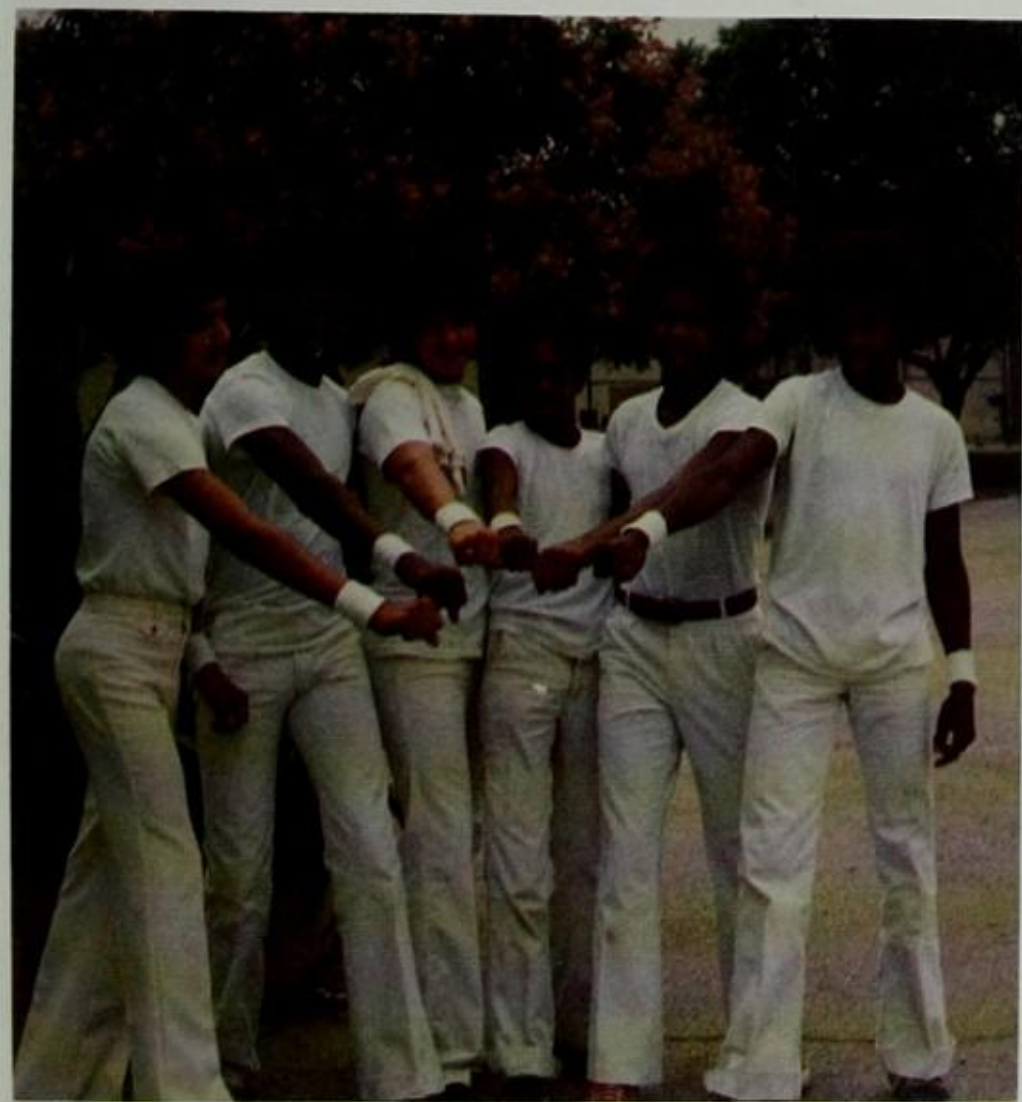

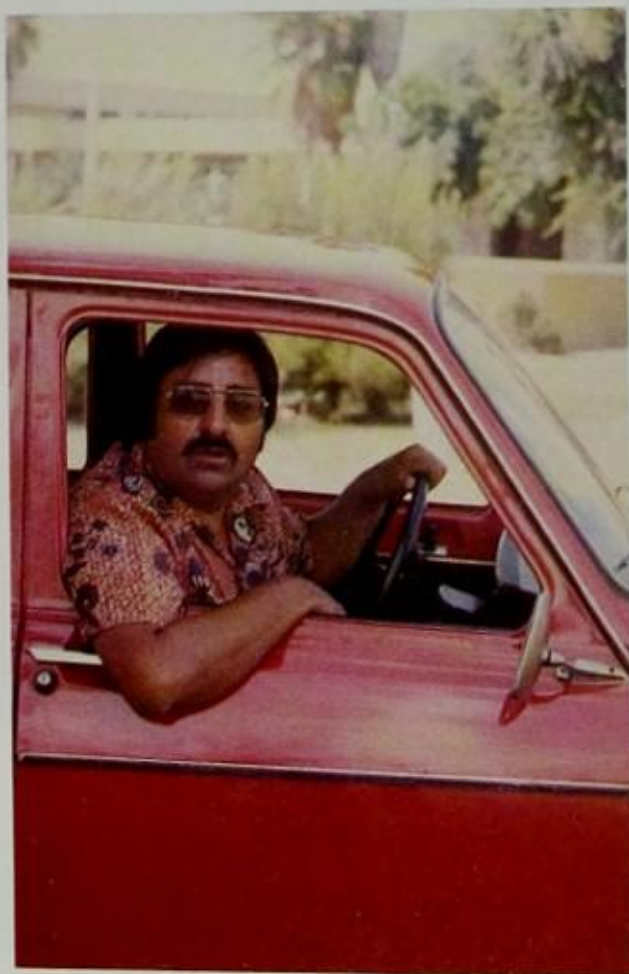

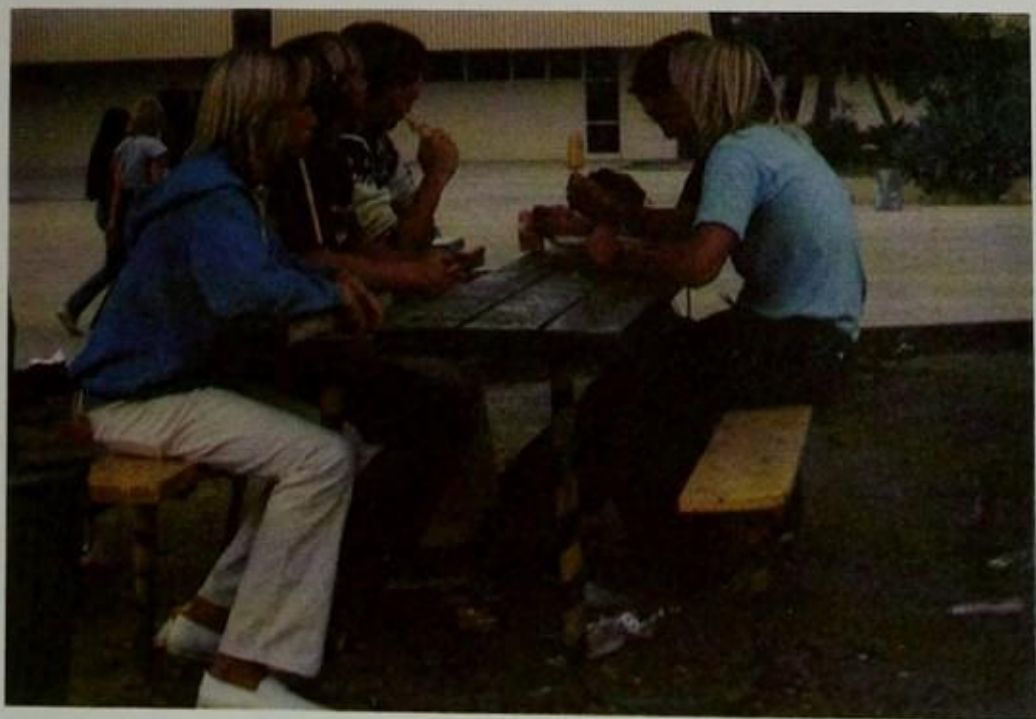

— **TIME** . . . —

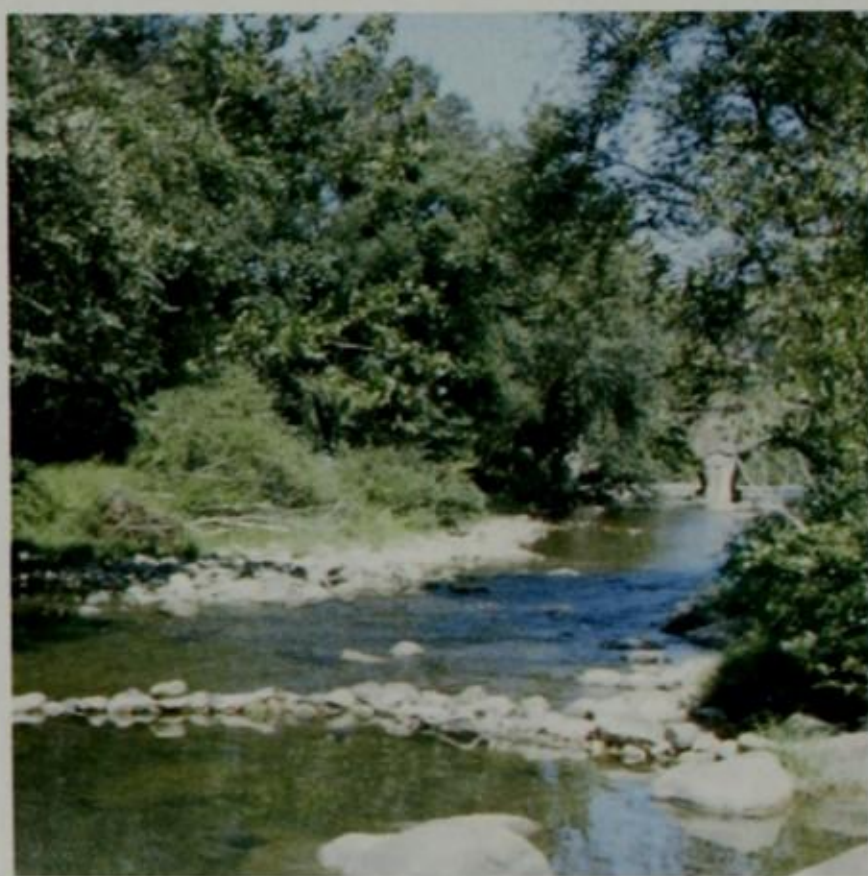

TO MAKE

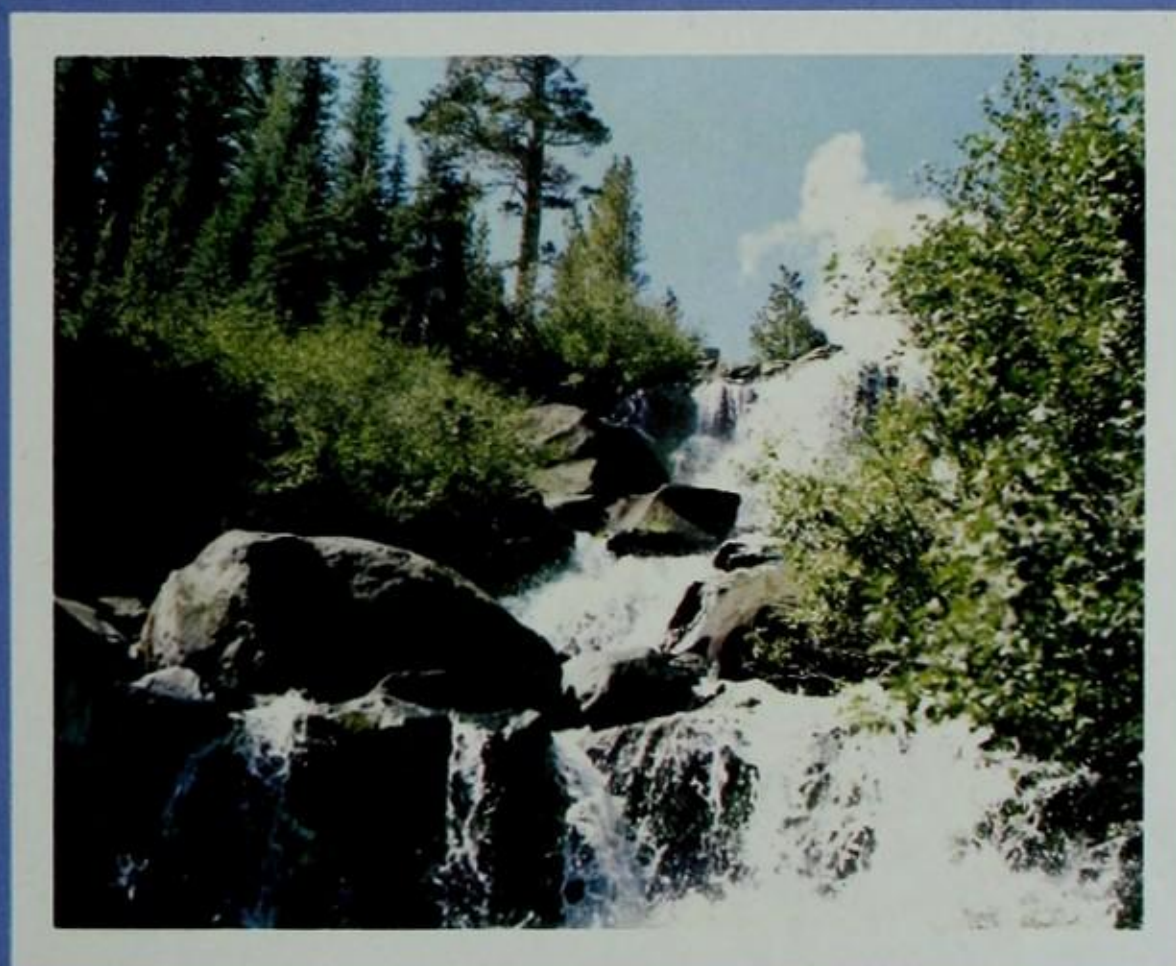

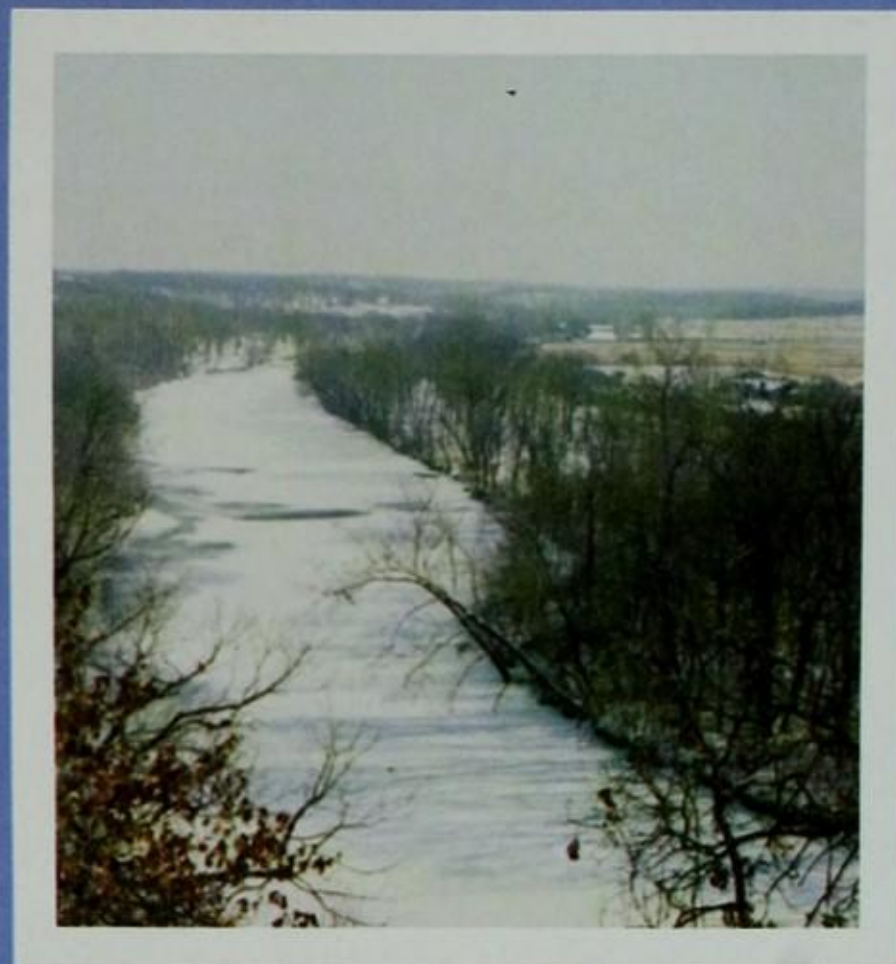

NEW FRIENDS

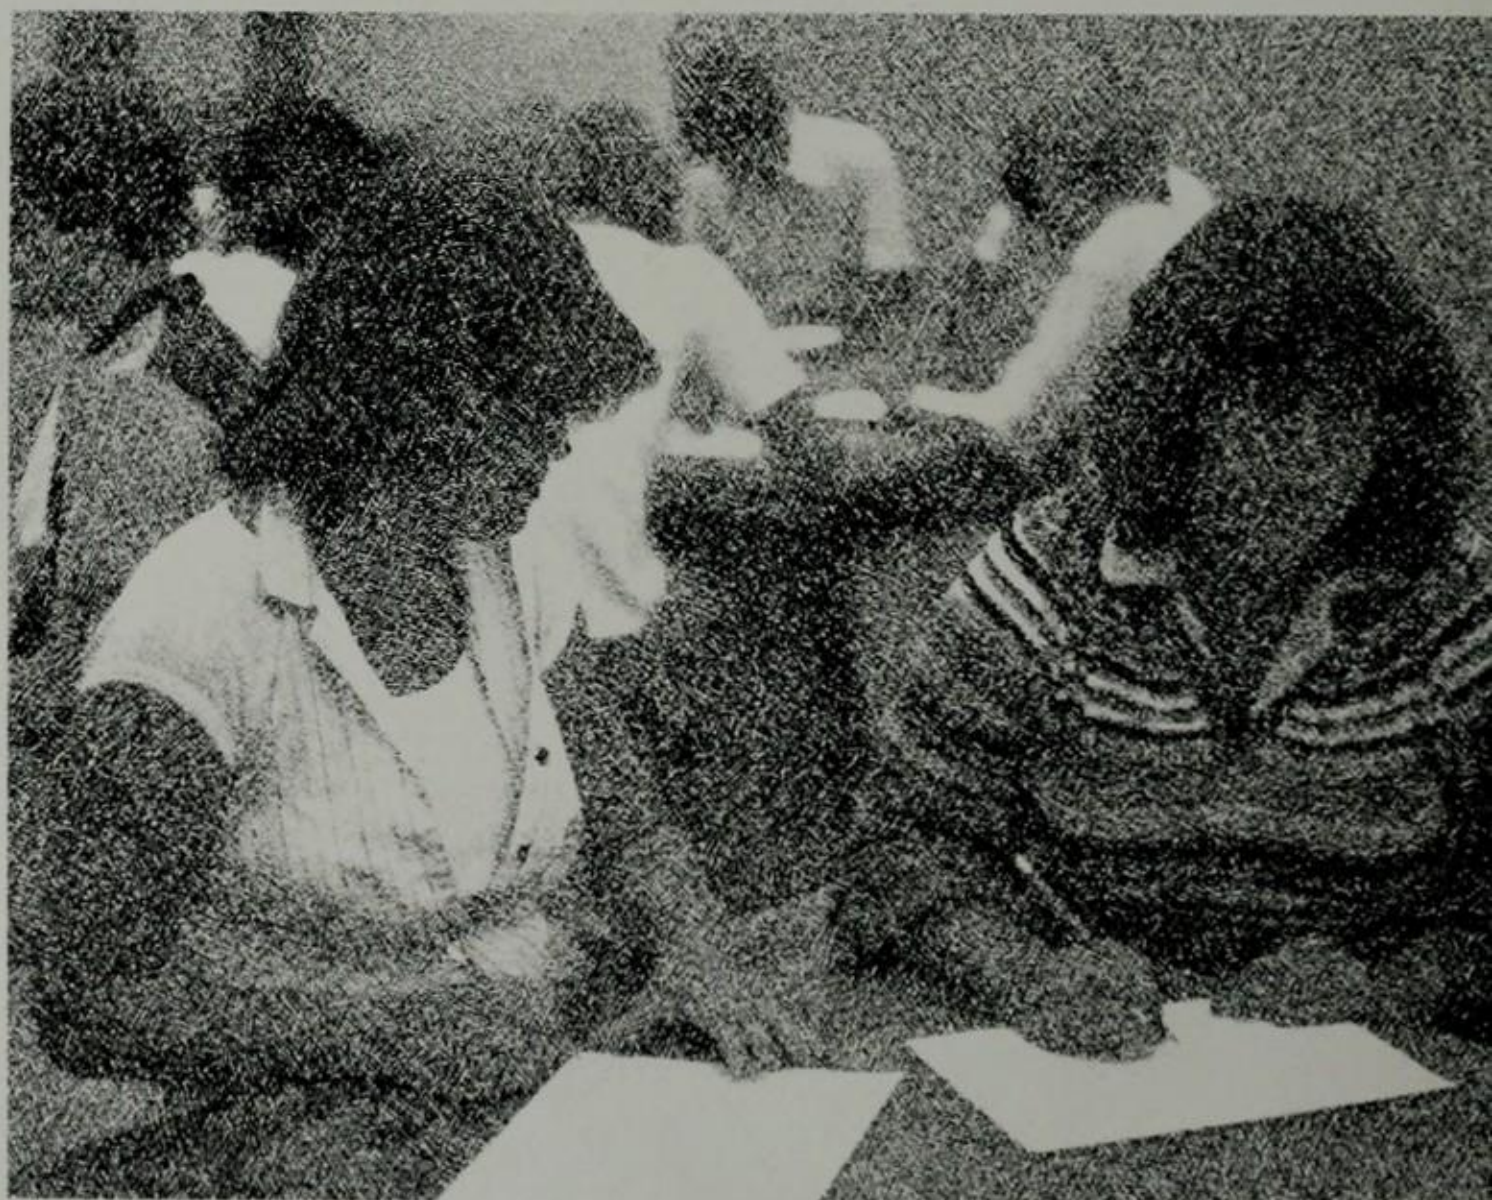

TO DISCOVER

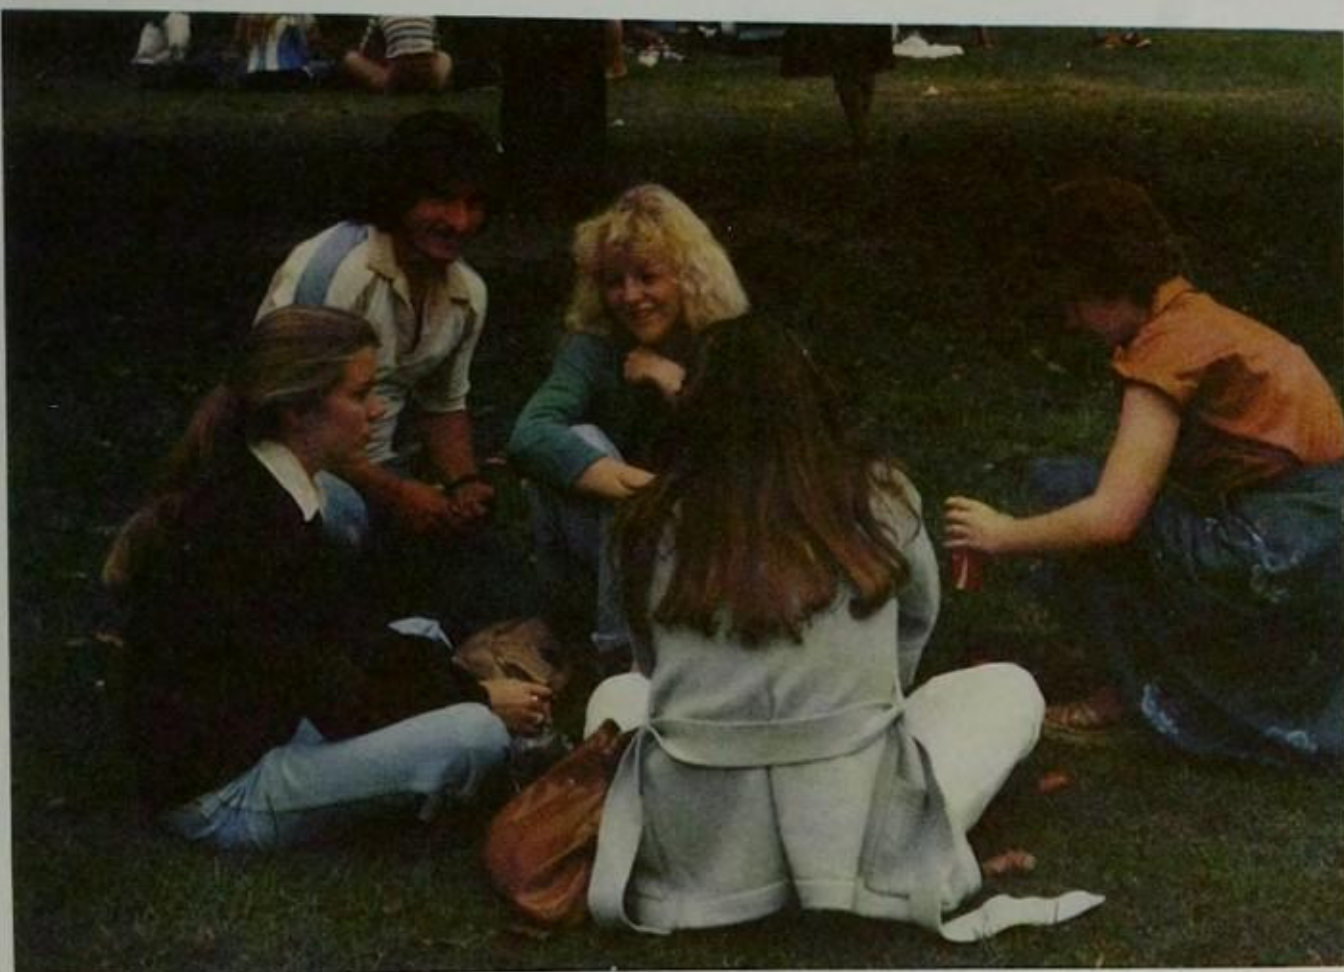

TO BE CREATIVE

TO LOVE

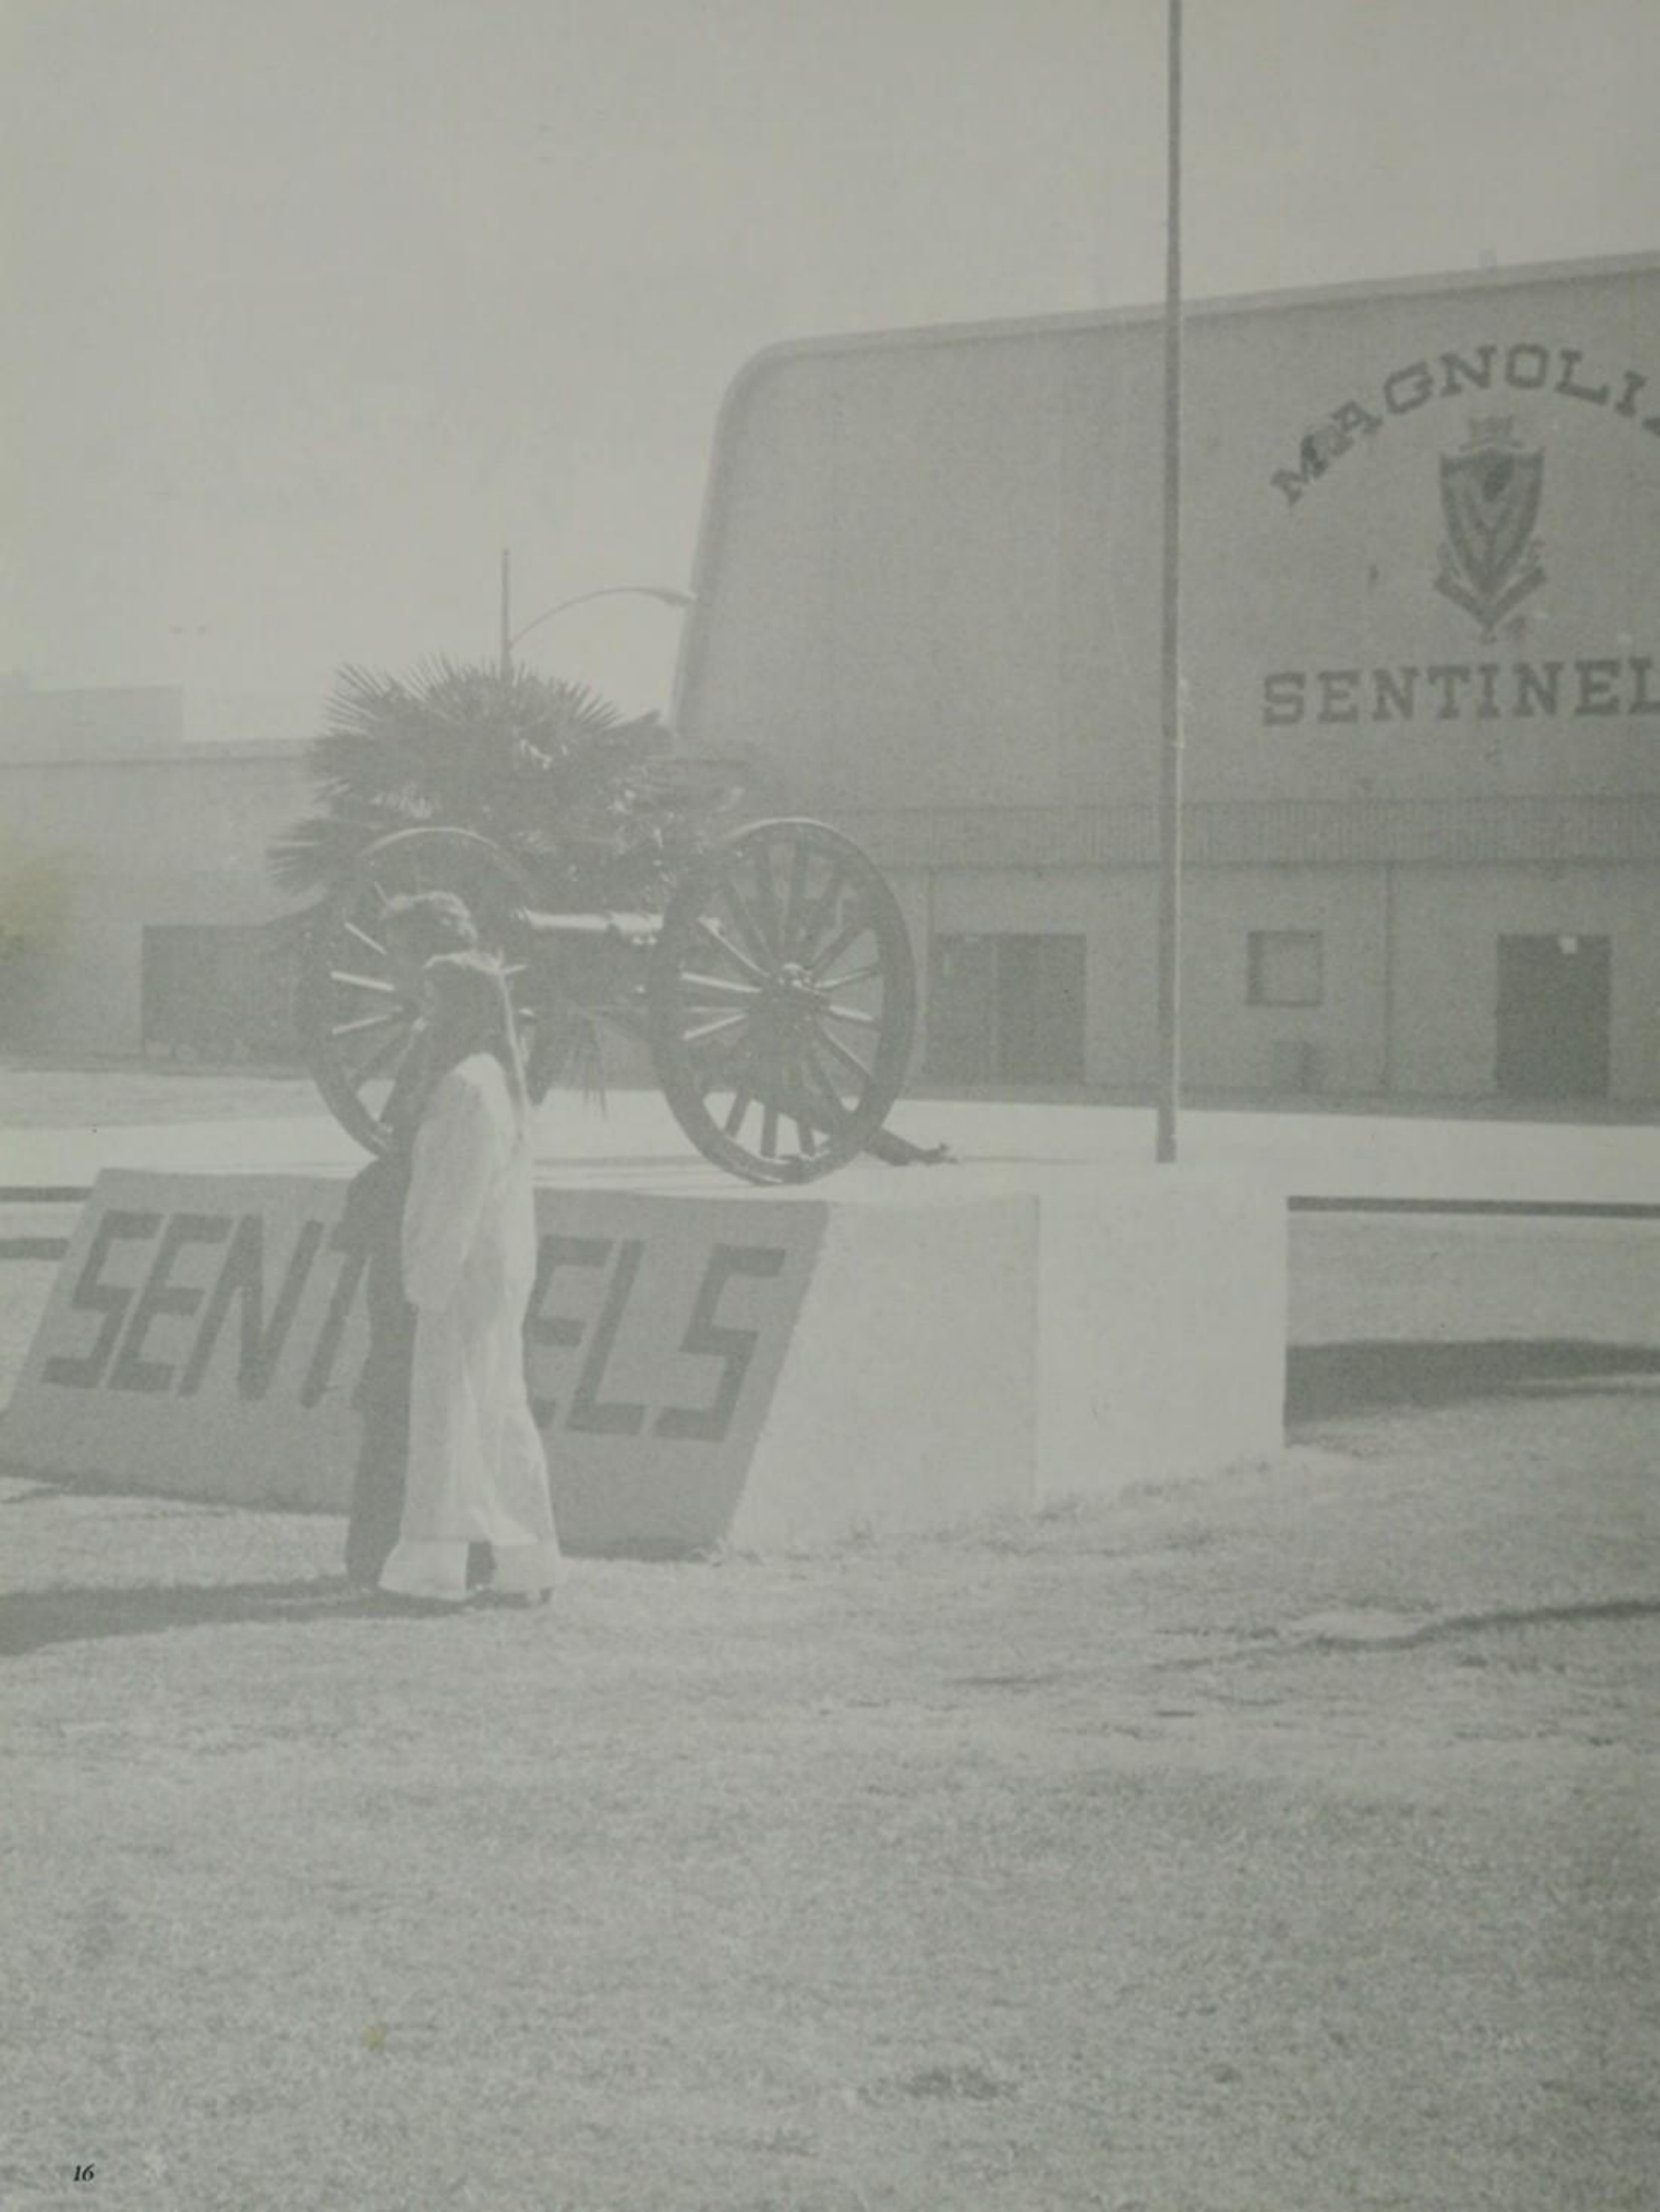

AND TO SHARE

... TO MAKE

SOMEONE HAPPY

Taking the time

Taking the time to love,
showing someone you care.
Taking the time to be a friend,
letting them know you're always there.
Taking the time to learn,
making yourself something in the world.
Taking the time to be dedicated,
making the most of what 'ere you do.
Taking the time to be creative,
letting your imagination run wild.
Taking the time to decide,
what path you want to follow.
Taking the time to remember,
times both good and bad.
Taking the time to recognize
we as the class of '80 will forever last.

OUR PRINCIPAL

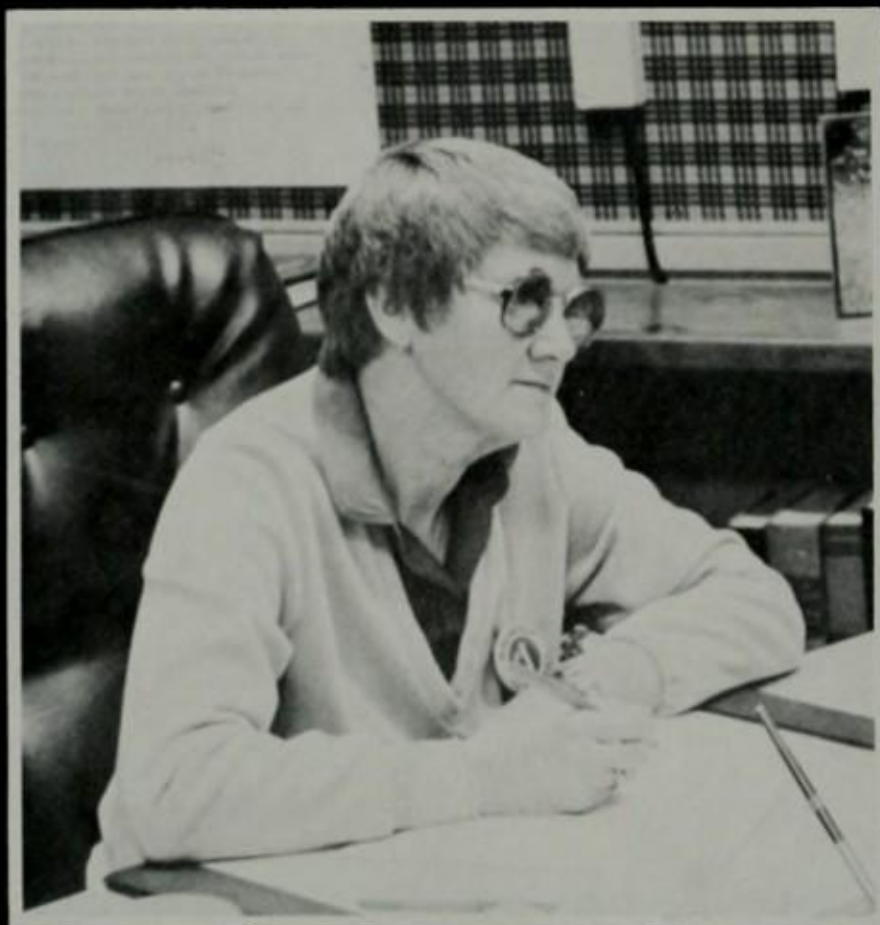

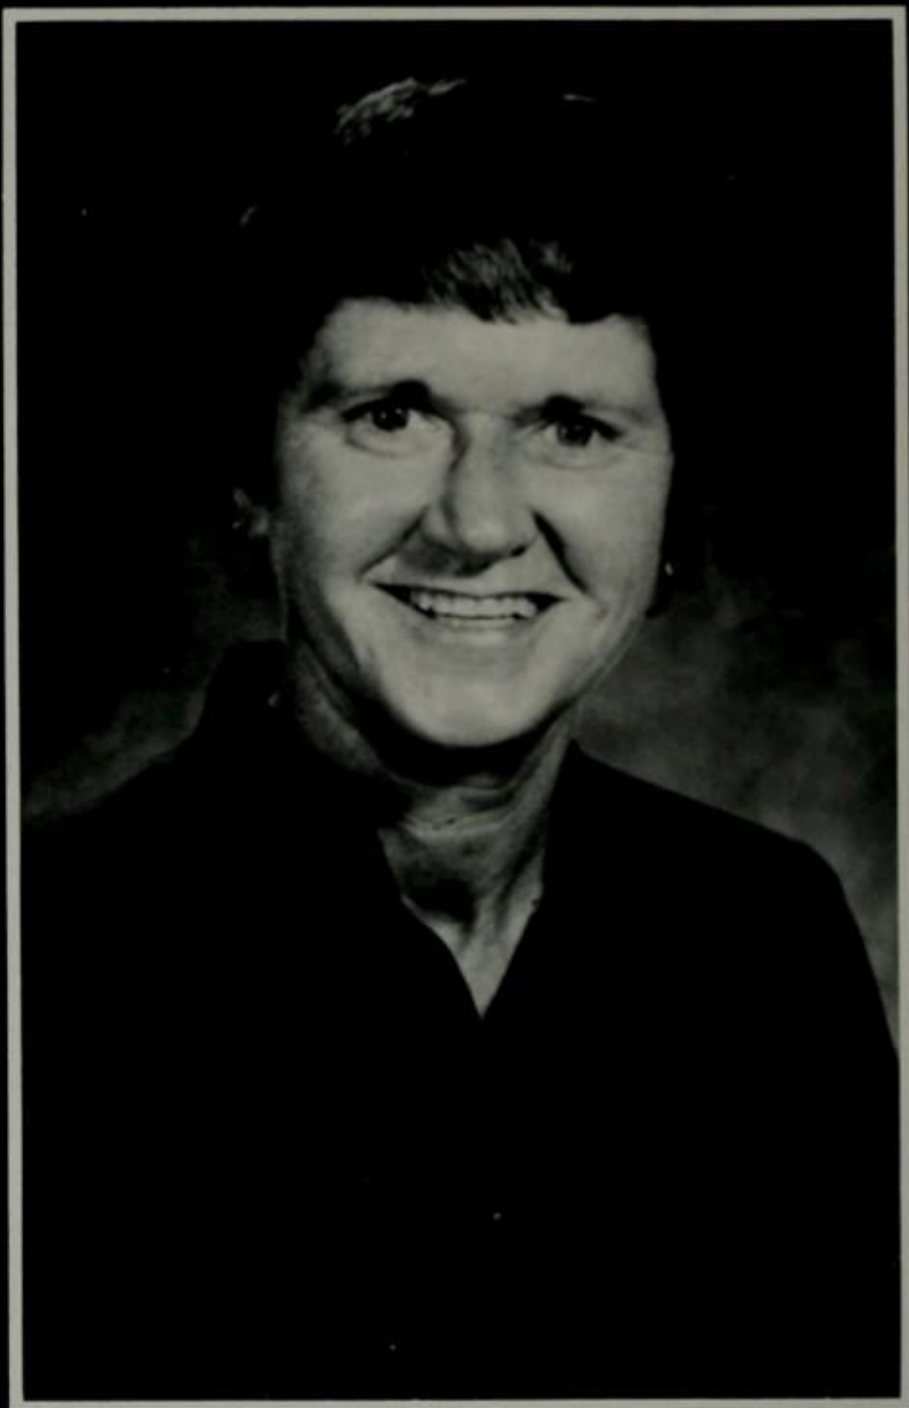

In 1966, every best musical award was given to 'Man of La Mancha' which put the character of Don Quixote in tender perspective against the harsh background of workday life. One number from this musical comedy had been sung countless times and yet it always seems appropriate regardless of the occasion. Let me quote a few lines to refresh your memory —

*"To dream the impossible dream, . . .
To right the unrightable wrong, . . .
To try when your arms are too weary,
To reach the unreachable star."*

I would like to challenge each of you to do just that, **Dream Your Impossible Dream**. Dream for yourself a goal and work with all your efforts to achieve it. Dream for yourself the kind of individual you would like to be— and then be it. For myself right now—my dream is that each of you will become and achieve all that your capabilities will allow.

Thank you for being loyal Sentinels full of pride, respect and love for Magnolia High School. It has truly been my pleasure to work with you and for you.

M. June Mangano

ASST. PRINCIPALS

What I'll always remember about the Class of 1979-80. . . Memories. . . Surfing and skateboards gave way to Mopeds and cruiser bikes. . . KMHS blasted sounds by Led Zeppelin, Village People, Kiss, Styx, Queen, and The Cars. . . Mixed feelings amongst Rock, Hard Rock, Disco, and Punk Rock listeners. . . Washed out Levis and T-shirts gave way to beautiful straight skirts with a long slit on one side for the girls, and the boys. . . "Well, what can I say" . . . Oh, their hair was cut shoulder length. . . Naturals and "Perms" didn't quite make it big. . . Favorite sayings by students in my office for referrals were "I'm sure," "Whatever", "Shine it", and "Forget it". . . Students left campus for alot of reasons but for gas-???. . . Lots of excitement in Anaheim as Angels won their first American League Pennant. . . I'll always remember this class when I hear one of my favorite songs "Just The Way You Are" and I hope someday we can again be "Reunited".

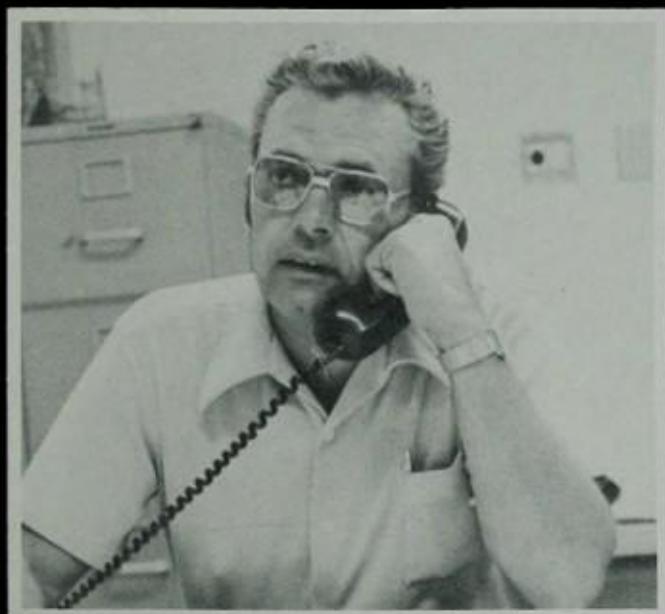

*With Love and Concern Always,
B. M. Taketa*

After having taught at Loara High School for 12 years, it was a welcome change to come to Magnolia High School as an Assistant Principal. My job description makes me responsible for discipline, attendance and activities.

I have found this job to be a pleasant experience. The Magnolia students I have met have made my new experience rewarding. They have been extremely warm, friendly and cooperative. . . I hope that this relationship will be a lasting one.

*John S. Douglas
Assistant Principal*

I would like to say to all graduatiing Seniors that I have thoroughly enjoyed working with you and want to wish you the best of luck in the future. To this years Sophomores and Juniors, I will be looking forward to seeing you in September.

CONGRATULATIONS, SENTINELS

As graduating students you have every reason to be proud of your personal and academic accomplishments.

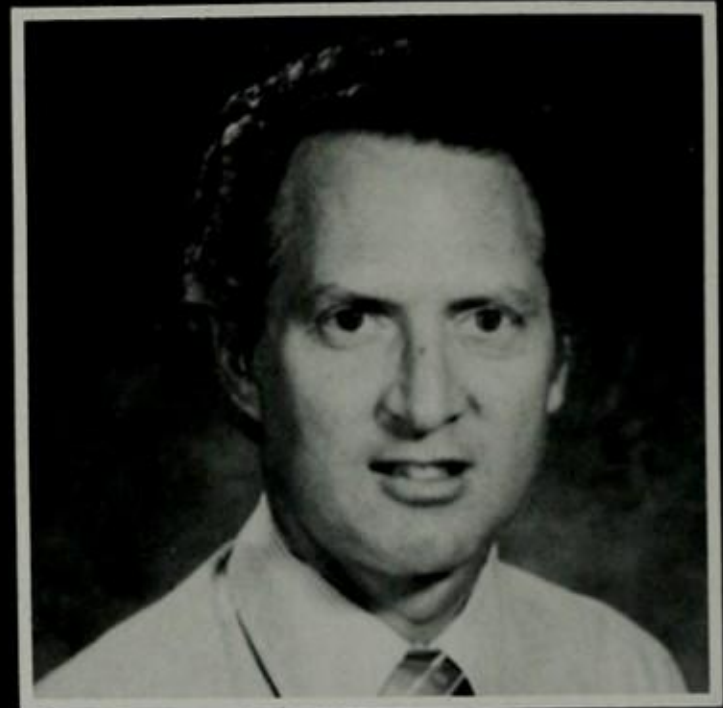

I wish you every success in the years ahead.

I would like to share a few words of wisdom from Wilferd Peterson: "Grow! Man is never finished. Man never arrives. Education never stops!"

Mr. Hunsaker

Use your God given talents to make a place for yourself in this world.

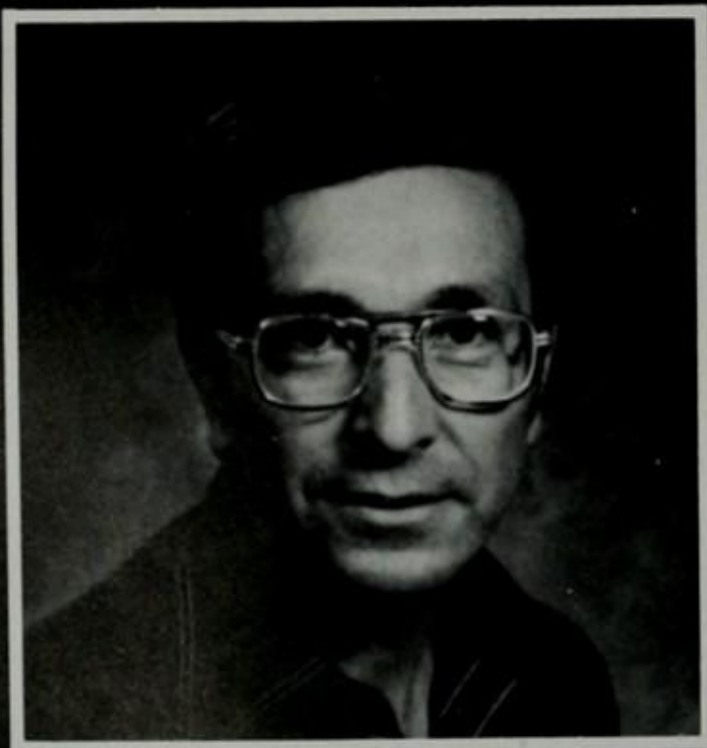

Always continue to learn and to grow as these are some of the ingredients for happiness.

MR. SILVA

Never settle for mediocrity—strive to do your best in all situations and you will be successful. Have confidence in yourself that you can and then go about doing it to the best of your ability.

You will find that failure can usually be avoided.

PIERCE

This year has been very rewarding for me, I've grown closer to more people this year than I ever had before. Because of yourselves you have made this year one I will always remember. I would like to thank the entire A.S.B. for their efforts, without them my position would have meant nothing. This whole year taught me many things but the most important thing can be best said in this thought, "Your dreams aren't as far away as you think, reach for them- Go for it!" Dare to dream!

*Sincerely,

The 1979-80 Sentinel basketball team started the season with team inexperience but gathered momentum throughout the year to become a strong league competitor. This fine improvement was led by returning letterman and All-League performer, 6'5" Dave Ferm. Also, Jr. cagers Greg Diggins and Dale Barry developed the team concept and got added support from Jr. Cris Bancroft, Seniors, Jeff Hayes, Bosco Chagollan, Mike Brees, and Sophomore Andy Klien.

THE CANNON

IS DEDICATED TO
MRS. JAN BILLINGS

*Because you care;
Because you always have time;
Because your enthusiasm for teaching knows no
bounds;
Because your energy in promoting our activities is end-
less;
Because you show a personal interest in us;
Because you give yourself so unselfishly;
Because you are very special to each of us.*
